APPENDIX A

VETERANS OF THE MILITIA AND REGULAR ARMY

The military service of the following veterans is based on muster and pay rolls held by the National Archives, in the case of the militia; and the enlistment registers held by the National Archives, in the case of regular army members. Regular army units are designated by numerical regiments preceded by "U.S.," for example, "36th U.S. Inf." Other units are Maryland Militia units. The phrase, Crawford's "company," indicates volunteers of a militia company which was organized somewhere near Westminster, but never approved by the State. The period of service of the militia units is based on muster and pay rolls held by the National Archives. These rolls sometimes cover only a portion of the actual period served. Service in the regular army was taken from the Regular Army Register on microfilm at the National Archives. Information on the dates of militia commissions was based primarily on the Adjutant General Commission Book held by the Maryland State Archives. Other sources of information are shown following "Sources." Acquaintances, abbreviated as "acq." and "witnessses" refer to names found in the affidavits of bounty land and pension applications.

(b) **Residential Members**. All persons who have signed Application Agreements with Corporation and are not in default hereunder, shall be Residential Members.

Section 2.2 **Qualifications for Residential Membership**. All persons who have attained the age of 62, who can pay the fees assessed by the Corporation for residence within the Corporation's retirement center in Omaha, Nebraska, and can live independently will be eligible to reside within the retirement center and be a Residential Member of the Corporation.

Section 2.3 **Default Under Occupancy Agreement**. Should a Resident default under the terms of the Occupancy Agreement:

(a) If default is due to financial hardship beyond the control of Residential Member, and such Residential} Member has no source of support or assets with which to cure such default, the Corporations Managing Agent shall assist such Residential Member in applying for financial resources through the Corporation's Sponsor Members, federal, state and local agencies, the community at large, the Owner through its reserves, and such other agencies as the Managing Agent may, from time to time, deem appropriate.

Regardless of whether financial resources are obtained on behalf of the Residential Member, as long as such Residential Member continues to be able to live independently such Residential Member shall be deemed to be in full compliance with his Occupancy Agreement, he shall continue to reside within the facility, and his Occupancy Agreement shall be extended and renewed from time to time for successive three (3) year periods as though no default had occurred.

Provided, however, should the continued occupancy of such Residential Member (cumulated with the continued occupancy of other Residential Members who are residing wlthin the facility without the benefit of financial resources) inflict such severe strain on the financial soundness of the facility that the Corporation would be forced to file a petition in bankruptcy or otherwise be in danger of insolvency, the Occupancy Agreement of such Residential Member will, upon the specific direction of the Board of Directors, be terminated sixty (60) days from the date of such direction.

(b) Except as provided in paragraph a above, if default occurs as a result of the happening of any of the events specified in clauses (a) to (e) of Article 12 of the Residential Members Occupancy Agreement, and such default is not cured in accordance with the terms and provisions of such Article, upon the written direction of the Board of Directors the Managing Agent shall, on behalf of the Corporation and in accordance with the terms and provisions of Article 12 of the Resident's Occupancy Agreement, reenter the Premises and remove all persons and personal property therefrom. either by unlawful detainer proceedings or by suitable action or proceeding at law, in equity or by any other proceedings which may apply to the eviction of residents or by force or otherwise, to repossess the Premises in its former state as if the Occupancy Agreement had not been made.

Samuel H. Iler, son of William and Ann (Berry) Iler, was born in Hocking County, Jan. 30, 1851. He was thrown on his own resources when quite young, but succeeded in getting a fair English education in the public schools. He was married Jan. 4, 1872, to Emma, daughter of Basil and Margaret A. Black. They have five children—Minnie, Lillie, Dollie, Joseph N. and Noah W. After his marriage Mr. Iler settled on the farm where he now lives, on section 3, Benton Township. Dear Morgan,

Thank you so much for the information on Frederick Oylers' Descandants. I would like a cd with all the pictures on it. I would be happy to pay you back for coping the information. I really enjoy learning about the family history.

I noticed that you do not have Jerry Adrian Oyler's brothers and sisters listed. Some of the pictures you have are of these people.

A Washington County man was charged Thursday night with leaving the scene of an accident and driving while intoxicated, according to the Washington County Sheriff's Department.

Ronald Eugene Eyler, 31, of 11900 Turners Lane east of Hagerstown, was expected to appear before a Washington County District Court commissioner this morning, police said.

Eyler allegedly struck an eastbound vehicle on Md. 64 shortly after 9 p.m. on Thursday, police said.

FAMILY HISTORY OF THE ILER, TANNER, YOUNG AND RELATED FAMILIES, MAINLY OF KENTUCKY AND VIRGINIA

Compiled by Arthur Triplett Iler with assistance from his brother, Charles Colby Iler and others.

The material was not bound and when received was out of order. I have placed it in order for my own purposes and as near the original as possible.

This work was probably prepared at Washington, DC and/or nearby Maryland. Additional material was added from time to time at Central City, KY.

The date of original preparation is unknown to me at this time since I do not have a copy of any title page. I suspect work started when both brothers lived in DC and MD, in the 1930's. Notes were added to my copy as late as the 1990's.

As you can see, the author and several others made additional, hand-written notes to the work. Those of the author were added by him before my copy was made. Others added to my copy at later times.

Families having major sections in the book are:

Beasley	Bourne	Davis	Desper
Earp	Eiler	Eyler	Hay
Hill	Iler	Park	Sharp
Smith	Sweatt	Tanner	Tilford
Wickliffe	Witt	Young	

The attached material was made from a copy owned by

Morton Park Iler, 3825 North Collins Drive,
Bloomington, IN 47404 (812) 876-8610

Mr. Iler was my father's brother and my uncle. He was a fine man and a leader in his community. I remember him with great affection.

MRS. OWEN D. YOUNG.

Wedding Is Solemnized in St. Augustine Church Before Members of Both Families; Bride Is Accomplished Painter, Sculptor.

By the Associated Press.

St. Augustine, Fla., Feb. 20.—Owen D. Young, 63, one of America's industrial and financial leaders, and Mrs. Louise Powis Clark, 50, an attractive widow, were married here today before their children and a small gathering of friends.

The Rev. Armand T. Eyler performed the simple ceremony in Trinity Episcopal Church, which was decorated in wild plum blossoms. Young and his bride were unattended. Mrs. Young's mother, the widow of Walter van Rensselaer Powis, of New York, gave her daughter in marriage.

The bride wore an afternoon gown of midnight blue crepe roma with a straw hat of matching color. Her flowers were white orchids. Young wore full afternoon dress with a white gardenia. A short musical program rounded out the simple ceremony.

From the church the bridal couple and their friends went to Mrs. Powis' Spanish villa for a wedding supper and a reception. The honeymoon plans were not announced.

Young is chairman of the board of the General Electric Co., an attorney, director of many large industrial and financial corporations and an internationally known figure. His first wife died several years ago.

His bride is the widow of Elwood Stanley Brown, a Y. M. C. A. executive, and of Horace Clark, an industrial engineer. Brown died in 1924 and Clark in 1929. She spent many years in the Orient and in Europe and is considered an accomplished painter, sculptor, musician and needleworker.

On Apr 14, 1780 Col Geo Rogers Clark left the falls (Louisville Ky) to go to Iron Banks on Kentucky side of the Mississippi river about 25 miles below the mouth of the Ohio River where he founded the Fourt ordered by Thomas Jefferson. To support a Garrison at the new post; Settlers were needed, and land grants were made to attract them. A village sprang up by the Fort which was expected to become a thriving town. The Settlers named it Clarksville and elected five leading Men; James Pigot, Ezekiel Johnson, Henry Smith, Joseph Hunter and Mark Iler trustees to conduct its Government.
